

Notes for: _____

Name: _____

Write down some pros and cons of the techniques or discoveries described in the paper. You do not need to write complete sentences. These notes are for your reference during class discussion. I am going to ask you about your *opinion* of the work during class.

Also, if you can't think of any positive things to say, try harder.

Pros

Cons

Do you think this paper describes a good idea or a bad one?

- Yes.
- No.

Did you like this paper? (It's OK to like a bad paper or dislike a good one!)

- Yes.
- No.
